**TREKKERS TRIBUNE**  
**February 2011**

Hello everyone,

It's been a great start to the trekking year with the AGM and a ride being held at Phillip Riley's property at Collieburn on the 22<sup>nd</sup> & 23<sup>rd</sup> of January. There was a good attendance of members and much discussion took place. The AGM minutes will be coming out shortly.

The weather for ride on the Sunday was good, being lovely and cool after raining lightly during the Saturday night. The ride had been organised by Nancy Riley and her son Phillip, and took us through forestry to the old mine and pool at Stockton. Thank you Nancy and Phillip for such an enjoyable weekend and for organising the meal on the Saturday evening.

### **State Trails Conference organised by DSR**

This is to be held on April 1<sup>st</sup> and is FREE!! It would be great if as many horse people could come as possible. ATHRA are going to be there and are trying to encourage others. This event has been dominated by the Mountain Bike fraternity and it this year ATHRA as well as others have been asked to present. It would be great to have a number of people to come along to support the development of horse trails and shared use trails including horses in WA. It is also a great conference and a place to meet others and network. Further details will be sent out soon.
