SATURDAY 9th APRIL 2016 – WUNGONG REGIONAL PARK DAY RIDE

9.00AM Sign Register and pre ride briefing

9.30AM Ride Start

PARKING ADMIRAL SOUTH ROAD PARKING – As the parking on S-W Highway is quite limited, parking to ride the valley will now be up the top of the hill on Admiral South Road.

Parking is limited, but some parking can be on the side of Admiral Road. Please keep a safe distance from the road intersection, thanks.

Directions: From South Western Highway turn east into Nettleton Road at the Caltex Roadhouse. Travel up the hill for just over 3km and turn left into Admiral South Road. Travel along here for about 3km, you will hit gravel, keep travelling until you come to a “T” Junction (North Road). This is a big intersection with parking to the left and all along the gravel roads. You can turn around here if you wish and Park.

RIDE Terrain is hilly with gravel and rock. We will ride up and down some fairly steep rocky inclines, so we recommend all horses be shod or booted and fitted with breastplates, which are a must on this ride! Approximately 12-15 km's, estimated time 3-4 hrs

We may encounter walkers, dogs, motorbikes, mountain bikes and other horse riders.

LUNCH Please pack and carry your own lunch, along with a nosebag for your horse as we will stop for lunch in the bottom of the valley. **No hay only processed horse feed please.** If it has rained there will be water in the

creek at the bottom of the valley, but you might like to bring water for your horse for back at the float.

RIDE FEES Members \$5.00 - riding.
